JULY 2023

ALA Group completed the second surveillance audit for its EN9120 global certification, passing the stringent audit plan that involved the largest commercial and operational offices of the Group without any findings of non-compliance.

SEPTEMBER 2023

ALA Group opened a new sales office in Fort Worth, Texas, US, dedicated exclusively to the development of business in the North American market.

UPDATES FY 2023

OCTOBER 2023

Three years after acquiring 60% of the share capital of ALA Germany GmbH, the parent company ALA S.p.A. exercised its purchase option on the remaining 40% in advance, thus gaining full control of the company.

Q4 2023

ALA logistics platform in Bordeaux inaugurated in 2022, dedicated to the multiyear service agreement with Dassault Aviation, became fully operational. The agreement is currently in the ramp-up phase confirming that the initial delays due to the slow adaptation of the customer (and its suppliers) to the new commercial-operational structure have been overcome.

DECEMBER 2023

The new Midlands office of the ALA Group was inaugurated in Derby, UK, close to strategic customers such as Rolls-Royce.

THROUGHOUT 2023

Activities for the integration of the Spanish subsidiaries SCP and Sintersa continued at a rapid pace. Just over a year after joining the ALA Group, they achieved highly satisfactory service performance and recorded commercial and financial results exceeding the expectations of the business plan drawn up during the acquisition phase.

JANUARY 2024

ALA UK opens a new sales office in Derby. This strategic move reinforces our dedication to strengthening our supply chain and fostering connections with numerous key business partners.

FEBRUARY 2024

ALA opens the first foreign branch of its Spanish subsidiary Sintersa S.A. ("Sintersa"), located in Northern Italy.

FEBRUARY 2024

Preliminary Consolidated Results for financial year 2023 (not yet audited).

Revenues and margin at record high significant increase thanks to the contribution of organic Growth and the acquisition of Spanish group SCP Sintersa.

Value of production reaches a record **€233.1 million**.
